Welcome to Athol Hospital — Offering State-of-the-Art Emergency, Primary, and Specialty Care, Close to Home

THE NEW STARRETT CENTER FOR EMERGENCY CARE AND HILLIS MEDICAL OFFICE BUILDING

The Starrett Center for Emergency Care and Hillis Medical Office Building at Athol Hospital doubles the capacity and transforms the facility to provide a state of the art experience.

- The new Emergency Department is equipped with 13 exam rooms, private acute care rooms, and dedicated behavioral health rooms.
- New covered atrium entrance that provides coverage for dropping off and picking up.
- Expanded services all under one roof. Including Primary and Specialty Care, and Behavioral Health Services.
- The Memorial Building continues to provide inpatient hospital services.

You and Athol Hospital, working together toward a lifetime of good health.

See you in the Spring.*

from our collection

The collection at Athol Historical Society includes a dollhouse replica furnished in fine detail of the Minnie B. French house.

The dollhouse bedroom shown here features a miniature homespun bedspread among other delightful miniatures. Visit it—and us—in the spring!!
